Faithful Scholars

A Third Option Accountability Association
for South Carolina Homeschoolers

Subject: _____ ***Year:*** _____ ***Student:*** _____ ***Grade*** _____

Date	*Assignment*	*Pts. earned*	*Total Pts.*
Sample	Chapter 1 Quiz	22	25
Totals:			

Quarter, semester or yearly grades can be calculated by dividing the total number of points earned for the grading period by the total number of points possible for that grading period. Grades can also be calculated by assigning different weights to the different types of assignments.
